# friendly poem

everyday when i come to school i'm always greeted by a beautiful presence.

inside my heart i always will like and care for you.

every time when you are Verb - Past Tense

you can always count on me to make you glad.

if you always think that your alone.

you can always have my snow cone.

every time when i have a hug.

i will always give you back a hug with a .

everyday i will always let you share my feelings with me.

because i,ll always think that you're always seen.

if you also feel so depressed.

you can also kiss me on the cheek to Adjective - Ends in EST unstressed.
