# BAM!TV

One day, Mark Organ had an idea. He thought of a way to \_\_\_\_\_  
\_\_\_\_\_ and help them  
\_\_\_\_\_ for their favorite \_\_\_\_\_ and get recognized for it. After a few years, Mark really got  
his idea going, and it became a really successful company called Influitive. The marketing team at Influitive  
decided that they needed to do something special to showcase their \_\_\_\_\_ and their \_\_\_\_\_.

They thought of BAM!TV, a one-hour episode on \_\_\_\_\_ with Mark and some other  
Influvians, and invited two of their \_\_\_\_\_ Bo Bandy and Meagen Eisenberg onto the show as well.

On the show, Bo says that she likes \_\_\_\_\_, but that she loves \_\_\_\_\_  
more. Tony Wright, the host of BAM!TV, introduces Mark and says that they will talk \_\_\_\_\_  
\_\_\_\_\_ and they'll talk \_\_\_\_\_. Meagen, thought she had done it all, but now she's on BAM!  
TV.
