Th ants and the birds

Once upon a time there was a Adjective Adjective Noun field. On one side of the field was a stand of Noun - Plural where the birds lived. On the other side was an ant hill where the ants lived. The birds and ants had never seen each other because the field was so Adjective. One day a bird ventured out into the ants Noun. The bird thought the ants were going to Verb all the Noun - Plural. He flew home and told all the other birds that the ants would take all the Noun and make the birds Verb - Non 3rd Person Singular Present. The next morning as the ants went out to gather Noun - Plural the birds attacked. The ants Verb - Past Tense back to the ant hill. They called an emergency meeting. Some on the ants were Adjective and wanted to Verb the birds. Others wanted to run away and find a new Noun. One ant spoke up and volunteered to go to the birds and find out why they had attacked the ants. The ants agreed to give him a Noun. He set out as the sun went down. He Verb - Past Tense all night and as the sun was rising he was at the birds stand of Noun - Plural. He climbed up and Adverb stood at the edge of a Noun and waited for the bird to Verb. When the bird woke up he saw the ant and Verb - Past Tense, thinking the ants had over run the whole stand of Noun - Plural. He begged the ant to let him Verb. The ant laughed and told the bird he had come alone and had not come to Verb. The bird asked why he was there if not to steal their Noun. The ant told the bird that he had come to find out why the birds had attacked the ants. The bird told the ant how the birds were afraid the ants would Verb all the Noun. The ant laughed and told the bird about all the Noun - Plural that were on the ground in the field and how there was plenty for all. The birds agreed

not to attack the ants any more. The Adjective ant rode home on the back of the bird and received a
Noun - Plural welcome. The ants and the birds were friends from that day on.
