# It's Time for a Break

As the           Noun           gets           Adjective          , we all know that           Proper Noun           time is here. All of the           Noun - Plural           at Elmwood are           Verb - Present Tense                     Adverb           as they think of seeing           Noun           over break. The thought of finally           Verb - Present Tense           exams has made everyone forget to           Verb          . They just can't wait to see all of the           Noun - Plural           hanging from their           Noun           on a white Christmas           Noun          . For now, thoughts of a           Noun           full of warm burning           Noun           filled their dreams as the cold school climate chills their           Noun - Plural          . What the students wouldn't give to have a holiday           Noun           replace the           Noun           that sits before them.
