Baby center Secret Snowflake

Here at baby center things can get a bit Adjective. There are always women who need advice about their Noun - Plural or have questions about their Noun - Plural. Between all of the drama and Noun - Plural there is usually some good Noun. Christmas time is almost here and that means there will be Number posts about Adjective mother in laws trying to feed babies Verb - Past Participle Noun. I hope crazy uncle First Name of a Person doesn't show up at the Proper Noun party, he looks more pregnant than I did at Number months. I also hope that my little cousin doesn't Adverb try to Verb my pumped breast milk again, that was Adjective. After all is said and done I will probably just hide in a Coordinating conjunction and be on Babycenter anyways. Oh well, Adjective holidays.
