A doctor visit

Patient: Thank you very much for seeing me, Doctor Proper Noun.

Doctor: What seems to be the problem, young Noun?

Patient: When I move my Noun, it hurts.

Doctor: Then, don't move your Noun.

Patient: Also, my Noun aches. Could you give me some Noun?

Doctor: That may not be necessary, yet. Let me take a look. Open your Adjective wide. Good. Now, I'm going to listen to your Proper Noun beat. Breathe in and out, slowly.

Patient: Doctor Proper Noun, what is wrong with me?

Doctor:

Unfortunately, you have a \_\_\_\_\_, but don't worry. You will get better, soon. Take this medication,  
drink plenty of \_\_\_\_\_, rest, and call me if you feel \_\_\_\_\_.
