# Legos

\_\_\_\_\_ with Legos involves lots of \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ up fingers. Some \_\_\_\_\_ really like to \_\_\_\_\_ with Legos, others just like \_\_\_\_\_. I don't really have a preference. I suppose I'm just \_\_\_\_\_. There are lots of \_\_\_\_\_ when you're building with Legos, such as building vehicles (like \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, or \_\_\_\_\_), \_\_\_\_\_ houses, building \_\_\_\_\_ and \_\_\_\_\_ scenes (\_\_\_\_\_ are good to build with \_\_\_\_\_ pieces), or building \_\_\_\_\_ models. I like to \_\_\_\_\_ them, and then \_\_\_\_\_ with them.

Legos originated in \_\_\_\_\_, but quickly \_\_\_\_\_ worldwide. The pieces have \_\_\_\_\_ into parts that connect and don't easily \_\_\_\_\_ apart. Most of the time, this \_\_\_\_\_ trick works. Most of the time. Sometimes I have problems getting everything to \_\_\_\_\_ together.

Altogether, \_\_\_\_\_ are an awesome \_\_\_\_\_ and \_\_\_\_\_ combination.
