# Kaz

Once there was a [Noun] named Kaz. I remember getting [verb] great mad libs books made with invisible ink when I was a kid. I Verb - Past Tense to beg my parents to buy them for me all the time, but I only seemed to get them as car games when we went on road trips. If computers and printable mad libs were around back then, I Modal have been in heaven!

This may sound naive, but I really didn't put two and two together that mad libs were such a great language arts activity. I just knew Preposition or subordinating conjunction when we were done, they were always hysterical!
