Full Metal Jacket.

This is my Noun. There are many others like it, but this one is mine. My Repeat Last Noun is my best friend. It is my life. I must Verb it as I must Repeat Last Verb my life. Without me, my Repeat Last Noun is useless. Without my Repeat Last Noun, I am useless. I must fire my Repeat Last Noun true. I must Verb straighter than my enemy, who is trying to Repeat Last Verb me. I must Verb him before he shoots me. I will. Before God I swear this creed: my Repeat Last Noun and myself are Noun - Plural of my country, we are the Noun - Plural of our enemy, we are the Noun - Plural of my life. So be it, until there is no Noun, but Noun. Amen.
