# PAREGEHGEGHERHERH

Artist Statement: Ali Mecklai

This statement will explain the \_\_\_\_\_ Noun \_\_\_\_\_, why I chose this song, what from the unit inspired me to do this song, and what is unique about \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ it. I performed this song with Harry, I played the \_\_\_\_\_ Musical Instrument \_\_\_\_\_ and he played the piano, we got help from his mom to help us practice and we worked at Harry's home. I have the goal to enhance my very small \_\_\_\_\_ Noun \_\_\_\_\_ experience because I don't appreciate \_\_\_\_\_ Noun \_\_\_\_\_ as much as most people do. The song was written by the Beatles and is in the album \_\_\_\_\_ Noun \_\_\_\_\_ ROAD. It has won many awards including the \_\_\_\_\_ Silly Word \_\_\_\_\_ Hall of Fame Award and the Grammy Award for Best \_\_\_\_\_ Silly Word \_\_\_\_\_ Album, Non-Classical.

The factor in the unit that most inspired me was beatlemania. It allowed me to realize the great \_\_\_\_\_ Noun - Plural \_\_\_\_\_ of the Beatles. I did know many Beatles \_\_\_\_\_ Noun - Plural \_\_\_\_\_ but did not have the time to appreciate them and their fantastic \_\_\_\_\_ Noun \_\_\_\_\_. Me, like my \_\_\_\_\_ Noun - Plural \_\_\_\_\_, now know and both like the music of the Beatles. When doing Beatlemania I saw so many cover albums for just one song and I thought of how great they must be to have so many \_\_\_\_\_ Noun - Plural \_\_\_\_\_, and bands idolize them.

The song is about coming out of a miserable time and it represents a new era for the Beatles. The writer, George Harrison, was previously \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ for \_\_\_\_\_ Noun \_\_\_\_\_ possession and temporarily \_\_\_\_\_ Verb - \_\_\_\_\_

\_\_\_\_\_ Past Tense \_\_\_\_\_

the band.

This song is special because it was the first song I ever sang and played before, I did it in grade \_\_\_\_\_ Number \_\_\_\_\_ and I was \_\_\_\_\_ Adjective \_\_\_\_\_, but I really \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ it. I played it with a partner and we were both playing \_\_\_\_\_ Musical Instrument \_\_\_\_\_, it was for a guitar unit in my music class. When I did it I enjoyed playing it and I also liked the music.

What this song means to me is \_\_\_\_\_ Noun - Plural \_\_\_\_\_ and joy. It means \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ after a bad day . It does this because the beatles explain seeing the sun after a long time and that gives me a sense that after a long and tough era the sun is finally coming out representing the good after bad. That is my \_\_\_\_\_ Noun \_\_\_\_\_ of the song but it means a lot more than just that. This song \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ the charts and was different to the millions who listened to it. Some people may have took it literally by thinking it is about the \_\_\_\_\_ Noun \_\_\_\_\_ but I see past that and that is what makes the song \_\_\_\_\_ Adjective \_\_\_\_\_ and that is what it means to me. To understand it you must look past the lyrics and listen for the \_\_\_\_\_ Noun \_\_\_\_\_ and not the \_\_\_\_\_ Noun \_\_\_\_\_.

To find inspiration in this song is easy you must listen to the \_\_\_\_\_ Noun - Plural \_\_\_\_\_ of the song and I apply them to my life by always looking on the \_\_\_\_\_ Noun \_\_\_\_\_ side and it makes me \_\_\_\_\_ Adjective \_\_\_\_\_ when I do that.

Song Fact: "George Harrison wrote this in Eric Clapton's \_\_\_\_\_ Noun \_\_\_\_\_ using one of Clapton's acoustic \_\_\_\_\_ Musical Instrument \_\_\_\_\_.

When the Beatles' manager Brian Epstein died in 1967, the band had to handle more of their \_\_\_\_\_ Noun and business affairs, which Harrison hated. He wrote this after attending around of \_\_\_\_\_ Noun meetings. This song was inspired by the long winters in \_\_\_\_\_ Location which Harrison thought went on forever."
