Without, the night was \_\_\_\_\_ Adjective and \_\_\_\_\_ Adjective, but in the \_\_\_\_\_ Adjective \_\_\_\_\_ Noun of Laburnum villa the \_\_\_\_\_ Noun - Plural were \_\_\_\_\_ Verb - Past Participle and the fire burned \_\_\_\_\_ Adverb.

Father and son were at \_\_\_\_\_ Noun; the former, who possessed ideas about the game involving radical \_\_\_\_\_ Noun - Plural, putting his \_\_\_\_\_ Noun into such sharp and unnecessary \_\_\_\_\_ Noun - Plural that it even provoked comment from the white-haired old lady \_\_\_\_\_ Verb - Present Tense placidly by the fire.

"\_\_\_\_\_ Determiner at the wind," said Mr. \_\_\_\_\_ Proper Noun, who, having seen a fatal \_\_\_\_\_ Noun after it was too late, was \_\_\_\_\_ Adverb desirous of preventing his son from seeing it.

"I'm \_\_\_\_\_ Verb - Past Tense," said the latter grimly \_\_\_\_\_ Noun the board as he stretched out his hand. " \_\_\_\_\_ Verb."

"I should hardly think that he's come \_\_\_\_\_ Verb - Past Tense, " said his father, with his hand \_\_\_\_\_ Determiner over the board.

"\_\_\_\_\_ Noun," replied the son.

"That's the worst of living so far out," balled Mr. \_\_\_\_\_ Proper Noun with sudden and unlooked-for \_\_\_\_\_ Noun;

"Of all the Adjective, slushy, out of the way places to live in, this is the Adjective - Superlative. Path's a Noun, and the road's a Noun. I don't know what people are thinking about. I suppose because only two houses in the road are let, they think it doesn't matter."

"Never mind, Verb - Past Tense," said his wife soothingly; "perhaps you'll win the next one."

Mr. Proper Noun looked up Adverb, just in time to intercept a Verb - Present Tense glance between mother and Noun. the words died away on his Noun - Plural, and he hid a Adjective grin in his thin Adjective beard.

"Verb - 3rd Person Singular Present he is," said Preposition or subordinating conjunction Determiner as the gate banged to loudly and heavy footsteps came toward the door.

The old man rose with Determiner haste and opening the Verb - Present Tense, was Adjective condoling with the new arrival. The new arrival also condoled with himself, so that Mrs. Proper Noun said, "Proper Noun, Noun!" and coughed Adverb as her husband entered the room followed by a tall, Adjective man, beady of eye and Noun of visage.

"Sargeant-Major Pronoun," he said, introducing him.

The Sargeant-Major took hands and taking the \_\_\_\_\_ Noun seat by the fire, watched contentedly as his host got out \_\_\_\_\_ Verb - Past Tense and tumblers and stood a small copper \_\_\_\_\_ Preposition or subordinating conjunction on the fire.

At the third glass his eyes got \_\_\_\_\_ Verb, and he began to talk, the little family circle regarding with eager interest this visitor from distant parts, as he squared his broad \_\_\_\_\_ Preposition or subordinating conjunction in the \_\_\_\_\_ Coordinating conjunction and spoke of wild scenes and doughty deeds; of \_\_\_\_\_ Noun - Plural and \_\_\_\_\_ Noun - Plural and strange peoples.
