Bigfoot

On the _____ Proper Noun of Bigfoot

One funny day, our class went hiking along the Omaha River. Like all smelly hikers, we were ready for any emergency. In our backpacks, we carried desks, macaroni , and one paper.

As we walked along the trail, Mrs. Weiss noticed a(n) _____ Noun footprint. "Do you think a(n) WIZARD made these tracks?" Mrs. Weiss asked.

"No, but let's follow them anyway," suggested my computer.

We ran for hours. Then I screamed, "callooh callay!! I think I see a _____ Adjective finger."

"YOLO!" we heard someone say. It was Ms. _____ Adjective.

"Ms. Collins!" we screamed. "We thought you were a huge finger!"

"Do I look like a huge finger? Well, as long as you're all here, you can help me look for hippos. There are lots of them here along the Omaha River. We can take them back to school and study them under our microscopes."

"YOLO!!" everyone said.
