The Lord's Prayer

Our Proper Noun in Noun, hallowed be your Noun.

Your Verb - Past Participle come, your Verb be done, on Preposition or subordinating conjunction as it is in heaven.

Give us this Adjective our daily Pronoun.

Forgive us our Verb - Non 3rd Person Singular Present as we forgive those who sin against Preposition or subordinating conjunction.

Save us from the time of Pronoun, and deliver us from evil.

For the Coordinating conjunction, the Verb - Non 3rd Person Singular Present, and the Coordinating conjunction are yours, now and forever. Foreign word
