Classroom Wars

I was a Adjective day in Teacher possessive class. As usually we were being very Adjective.

When all the sudden Person in room ripped their face off and we discovered they were a Noun.

Singular pronoun said "I will Verb - Base Form you all and take over the Place "

Favorite superhero jumped through the wall and threw the Repeat person in room through a wall.

Repeat superhero throws his fist in the air and screamed " Expression " Favorite villain walks

through the Noun and destroys Object in classroom. Repeat superhero and Repeat villain

then Action verb and the Repeat villain falls to the floor. Repeat superhero throws the

Repeat villain out the window. The entire class screams " Expression " and the superhero

Verb - Present ends in S through the wall.
