The Birthday Bash (2)

Fudge is going to be three years old. My mother said he should have a Adjective party with some of his Noun - Plural. He Verb - Present ends in S with three other little Noun - Plural who live in our building. There's Jennie, Ralph, and Sam. My mother invited them to Fudge's party. Grandma said she'd come over to Verb - Base Form. My father couldn't make it. He had a Adjective business appointment. I wanted to go to Jimmy Fargo's but my mother said she needed me to supervise Noun - Plural. The kids were invited from one until two-thirty.
