housely chores

sometimes your parents put you on chores. so you call your friend to come over as an excuse to
not do them. then your friend notices your chores and calls the you become
and run to to bring you home.
you get home and you half to do <u>number</u> , <u>number</u> , <u>number</u> chores.you decide to call your
friends again but your fed your phone to the so you do your chores and it takes
you years to finish them.
