19. Noun From Paragraph One

Ransom Note

Mr. type of cheese!

We have your _____noun_____. He/she/it is safe and we are keeping her in the storage room of _____a popular wholesale store that rhymes with Bosco_____. We hope that you listen to our instructions very carefully if you ever want to see your _____same noun_____ again.

Tomorrow, you will receive a phone call from _____an actor who plays a former CIA agent trying to reclaim his family in the 2008 hit action film, Taken_____. He/she/it will breathe heavily for seven seconds and then _____fart_____ loudly. After hearing the _____fart_____ promptly pick up _____a monetary value between $2,999.99 and $3,000_____ and travel alone to the nearest _____a location that is considered a pretty sketchy place past, like, 9pm. Kind of like on Serial when they talk about that one park where everyone is buried in Baltimore, except the people from Baltimore pronounce it in a weird way which I thought was interesting_____.

Once you arrive, ask the nearest _____famous cartographer_____ where the bank is. At the bank withdraw 100,000 _____things you can withdraw at a bank_____. Go to the nearest _____place where mail is collected_____ and hide your possessions there . Call the number 1-800- _____type of fruit_____ and tell them the cross-streets of the _____place where mail is collected_____.

After this a man in a _____Spanish word for hat_____ holding a _____noun_____ will appear behind you. Please take the _____same noun_____ and bring it home.

When you get home, hide it in your _____butt_____. Sleep for 8 hours. When you wake up, _____an actor who plays a former CIA agent trying to reclaim his family in the 2012 critically-panned action film, Taken 2_____ will be right behind you with your _____noun from paragraph one_____.
