# Horror at the Dental Office

\_\_\_\_\_ Proper Noun Dental was the first Dental office to serve the \_\_\_\_\_ Proper Noun \_\_\_\_\_ Noun community in 1912. Men, women and \_\_\_\_\_ Noun - Plural came from all around to get their teeth \_\_\_\_\_ Verb - Past Tense and for some long overdue dental \_\_\_\_\_ Noun. This office was the talk of the town until something \_\_\_\_\_ Adjective started happening. Patients began to fall ill. Not just the \_\_\_\_\_ Adjective kind either. These patients were \_\_\_\_\_ Verb - Present Tense. The local newspaper started running stories on this \_\_\_\_\_ Adjective trend. What was happening to these patients? Was it the \_\_\_\_\_ Noun? No one in the town knew. No one knew about the \_\_\_\_\_ Adjective secret that was being kept at the office. You see, Dr. \_\_\_\_\_ Proper Noun was a disturbed and \_\_\_\_\_ Adjective man. He put on a \_\_\_\_\_ Adjective front, so his patients would never know about his inner \_\_\_\_\_ Noun - Plural. It wasn't until \_\_\_\_\_ Number years later that the truth was discovered. The doctor had passed away leaving his practice to his son Dr. \_\_\_\_\_ Proper Noun. The new doctor had noticed small hidden compartments in each treatment \_\_\_\_\_ Noun. To his horror, he found \_\_\_\_\_ Noun inside each one. This is what was making the patients \_\_\_\_\_ Adjective all these years. This is why he continues to see the ghosts of his fathers patients. They've come to seek revenge...
