# The Chinese Buffet

One of my favorite places to \_\_\_\_\_ Verb - Base Form when I'm really \_\_\_\_\_ Adjective is the chinese buffet. Sure, the chinese \_\_\_\_\_ Noun - Plural may not understand me, and the \_\_\_\_\_ Noun is a bit run-down, but you can't \_\_\_\_\_ Verb - Base Form the amount of \_\_\_\_\_ Noun you can eat for the price you \_\_\_\_\_ Verb - Base Form! First, I am \_\_\_\_\_ Verb - Past Tense to my \_\_\_\_\_ Noun. They ask what I would like to drink, and I tell them \_\_\_\_\_ type of liquid is fine. They run off to get my \_\_\_\_\_ Noun, while I am free to \_\_\_\_\_ Verb - Base Form about the \_\_\_\_\_ Noun and pick what I want to \_\_\_\_\_ Verb - Base Form. I load my first plate with \_\_\_\_\_ Noun, \_\_\_\_\_ Noun - Plural, \_\_\_\_\_ Noun, and \_\_\_\_\_ Noun rolls. I sit down to eat the \_\_\_\_\_ Adjective food that I was able to \_\_\_\_\_ Verb - Base Form and slurp it down with my ice cold \_\_\_\_\_ type of liquid. I try to pace myself as I \_\_\_\_\_ Verb - Base Form because I am going to try to save room for at least \_\_\_\_\_ Number plates, but I'm not making promises that I will \_\_\_\_\_ Verb - Base Form that much. I get up once more and fill my plate up with general \_\_\_\_\_ Persons name- possessive chicken. I love how \_\_\_\_\_ Adjective it is! Unfortunately, I am unable to finish my second \_\_\_\_\_ Noun. Guess I wasn't as \_\_\_\_\_ Adjective as I thought!
