The genesis of the video is not entirely clear. A watermark at one point shows the name "Reptcams" -- a webcam website which bills itself as "adult _____ Proper Noun" where users " _____ Verb - Base Form."

"And I don't think it was a very _____ Adjective thing to do," Harris added gravely.

"I was surprised someone was in our library doing that," another student, Shelby Wilson, told the station. "I feel like it's always packed. I don't know how anyone could get away with it."

An Oregon State official noted the hugeness of the 23,000-undergraduate school's library.

"Imagine six floors; 340,000 square feet," OSU spokesman Steve Clark told KEZI. "It's used by 30,000

Clark added that the school "does not _____ Verb - Base Form this type of behavior" and that administrators want students "to feel _____ Adjective."
