The Dolphin

I think dolphins are Adjective. They are my Adjective animal! Their fins Verb - Non 3rd
Person Singular Present so Adverb, and their skin is so Adjective. I hope to Verb one some
day. It is so Adjective to Verb them. I love Verb - Present Tense about the Adjective
creatures. The dolphin is Adjective - Superlative animal in the whole Noun. Especially the bottle-
nosed dolphin. Their nose is so Adjective. I wish people would Verb all of the dolphins. They
Noun !
