So you think you can get away with being the Adjective guy here?

I have nothing else to say, except I wish you'd just Verb - Base Form

You've played the Verb - Base Form game on me, Verb - Present ends in ING me of being the
Noun

Now mister, let me tell you one thing, I won't let it happen again

'Cause now as you can see, I choose to Verb - Base Form by getting Adjective

Revenge never tasted so Adjective

Verb - Present ends in ING you is part of my Noun

If I'm the Noun, then what does that make you?

An Noun? No, you're nothing but a Noun!

This song's my Adjective - Ends in EST revenge plan yet

And now you're getting your Meal!

Please Verb - Base Form deep into my Part of Body - Plural and tell me I Verb - Base Form you

Before Verb - Present ends in ING me, you should first take a look at yourself

Verb - Base Form all you want, but no one's gonna Verb - Base Form for your Noun

Your Adjective Adjective Noun is just Adjective Noun

'Cause

Verb - Present ends in ING you is part of my Noun

If I'm the Noun, then what does that make you?

An Noun? No, you're nothing but a Noun!

And you're just getting your Meal!

I have had enough, I'm through with being your Noun

Excuse after excuse, and you'll run out of things to Verb - Base Form

Maybe to you I'm the Noun, but I'll prove you Adjective

'Cause this is a place where I feel I truly Verb - Base Form

And no matter what you do, you cannot take that away from me

'Cause it ain't my Noun that I'm so Adjective by everybody

Verb - Base Form me a Noun, I'm the nicest girl you've ever seen

Do your worst you can to turn my Noun - Plural against me

But you'll end up Verb - Present ends in ING 'cause I have so many Noun - Plural

I'm more Adjective than you, and it'll never Verb - Base Form

I'm a Adjective role model than you'll ever be

You think you're so Adjective, but I can never really Verb - Base Form

Not so Adjective of nice girls like me to Verb - Base Form into Noun - Plural
