# Going to The Store

On Friday, Sally went to the store to buy an \_\_\_\_\_ Noun \_\_\_\_\_, but when she got there, there was none left so instead of an \_\_\_\_\_ Noun \_\_\_\_\_ she got a pear. When she got home she cut the pear up, she had to put something in the microwave 2 minutes later... she realized she put the pear in the microwave instead of the \_\_\_\_\_ Noun - \_\_\_\_\_ Plural \_\_\_\_\_. Then, she had to go back to the store to buy another pear when she got home she cut it up. She had to put something in the \_\_\_\_\_ Noun \_\_\_\_\_ 3 minutes later... she realized she put the pear in \_\_\_\_\_ Noun \_\_\_\_\_. So she went back to the store and got a pear went \_\_\_\_\_ Noun \_\_\_\_\_ and sliced it up. This time she did not have to put anything in the microwave or stove. So she ate the pear.
