# funny school

Nikki Maxwell is her school's biggest Noun along with her two besties Chloe and Zoey. Nikki has many school problems with her Noun Mackenzie Hollister and the (CCP) AKA. Proper Noun Adjective and Adjective. Nikki gets invited to help with her little sister Brianna's Noun class's Proper Noun party for \$150. Then she was elected for the schools Noun - Plural Noun for the school's Proper Noun party. After all the Noun she found out it was all at the same time. That's when she really ran into Noun. In the Noun she found out her Noun - Plural would have Verb - Past Participle her and would have been Adjective.
