Night of Passion

I do not like boring Noun. I like to Verb things up in the Noun. My Adjective

other is not as Adjective as I am. I have to coax Pronoun to try new, wild things in the bedroom.

It always helps to start things off with a Noun. I love when Pronoun puts their Noun -

Plural all over my Noun - Plural. Verb - Present Tense all over really makes my Part of Body

Noun.

Then I like when Verb - Non 3rd Person Singular Present Adjective my Coordinating conjunction and

Adjective my Part of Body. After that, my Part of Body is usually ready to jump out of my

Part of Body.

Now we reach the point where they take my Particle off and my brain is screaming, "come get me

Pronoun!"

I like when they Particle me up and Noun my Part of Body. I also like to be told what a

Adjective Noun I am.

Right after we get hot and heavy, they usually get off Coordinating conjunction and I get to please myself with

my Passion Party Toy.

My Passion Party Toy really Adverb me better anyways.
