A sad Story

I was crying so hard my eyes really hurt. I was crying all the way there. I said "HURRY UP!" I had broke my finger that day. How? Thats where my story begins.

I was at my uncles _____ Noun snow without my gloves on. Then i had realized my hands were freezing. So, I asked my mum "can I go get my gloves?" she said "yes." I went to go get my gloves, then I got to the car. I _____ Verb - Past Tense my gloves. Then I looked down at my gloves and only one glove was there.I reached in the car as the door was _____ Verb - Present Tense, and then I got my glove and WHAM! I shut the car door on my finger. "AHHH!" I screamed! My _____ Noun was hurting so bad it was like a _____ Number needles driving into my finger. My parents ran over to me they said, " Are you ok?!" I screamed "NO!!! I slammed my finger in the car door!" I was crying so hard I got a _____ Adjective headache. My mom said, "Ok lets go get you to the _____ Noun room"

When we got the emergency room I was still crying but settled a little bit. I had to wait 10 minutes in the emergency room. I was scared I was going to get my finger cut off. My mom said "You're not going to get your finger cut _____ Particle." My dad said, "Honey you're going to be _____ Adjective." Finally, the doctor came and took me to the X-ray room. I was so scared that my finger was going to be broken that I went to my happy place. I was still scared. The doctor said "Just relax." In my head I _____ Verb - Past Tense JUST RELAX! I dont think so, but I did anyway. I stopped crying by then. I would get the Xrays in a few hours. I said to my dad, "What if my finger is broken?" He said "Well, we'll just have to take extra good care of it." Finally the doctor came out in 10 minutes. He said " You have... " The doctor got called to the X-ray room so we waited five more _____ Noun - Plural.

Finally he came out and said "Izzy you have a broken finger." I was like awww! So they took me to the doctors office and put a little cast on my finger.

It was really to to do stuff like write, eat, and pick up stuff. Finally, after 20 weeks of struggling to eat, write, and picking up stuff I got my cast off. My finger was still a little sore but I could eat, write, and pick up stuff more easily. When it healed all the way I had a really good story to tell all my friends about. My friends also helped me Verb up stuff like my water bottle, papers, headphones, and my binder. I was very happy when I could bend my finger again.
