Funny Vocab Story

Alfonzo began to chortle as he _____*Verb - Past Tense*_____ the acid slowly corrode his neighbors boat. He put a lot of

forethought into his action. He felt malice against his neighbors _____*Conjunction*_____ wanted them to suffer.

_____*Proper Noun*_____ did this _____*Preposition*_____ the dead of night so there would be no need for a subpoena. It was

a fluke that he found the acid in science class and could sneak it home. It was mostly because the teacher had

gone through the chemicals to cull _____*Article*_____ ones he didn't need. The neighbors used their boat like a

dredger, so it was already worn away a little. But it was only a dinghy. _____*Pronoun*_____ took it out onto the inlet

every day, while Alfonzo sat in his skiff and watched _____*Adverb*_____ and unnoticed. The next time they went

out, they would be in for a _____*Adjective*_____ surprise.
