Great Depression

I grew up as an only child in ______ where my father worked at a water treatment plant. In Year the city and our bank went bankrupt, after that we lost all of our money. Soon we couldn't afford to <u>Verb</u> in our apartment and had to move in with my <u>family member</u> and her <u>Noun - Plural</u>. The owner of the building couldn't afford to keep on the electricity so when it got ______ out we had to light candles to see. The school ______ us closed down and we had to walk ______ blocks to go to a ______ Majective _____ makeshift school in a Hooverville. When we didn't have school we would <u>Verb</u> around the city to try and find food. The <u>food</u> stand at the end of our street was our favorite spot to steal from. When we were done we would _______ sneak into the theater and watch Adjective movies. Eventually when the money problems got really Adjective , me and my cousins got jobs, I got one making <u>Proper Noun</u> and my cousins got jobs at the cannery. While I hated the Adjective work and always wanted to get home as <u>Adverb</u> as possible, I knew that when I got home we would all sit down and listen to our favorite radio show.
