Marriott Edgar Mad Lib

I'll tell of the Magna Charter

As were signed at the Noun command

On Runningmead Island in t' middle of t' Thames

By King John, as were known as "Adjective."

Some say it were Adjective of the Barons

Their will on the King so to Adjective,

But you'll see if you Verb - Base Form at both sides of the case

That they had to do something, or bust.

For John, from the moment they Verb - Past Tense him,

Started acting so Adjective and sly,

Being King, of course, he couldn't do wrong,

But, exclamation, he'd a proper good try.
