Daryl Cohen

Daryl is an Adjective regional manager. Coming from working in a store, she has sincere Noun for the managers and all they do. This is why she is going to do such great things in her Marketing and Merchandising Captainship. She has the Adjective response time ever. It has been said that she will stop every Noun or two if she is driving just to respond to any outstanding emails. Wow, that's commitment.

She has a wedding planned this summer. I think that there is something in the Noun where she lives because it seems like Daryl is always going to weddings. I am guessing it has something to do with the Adjective cold where she lives. People get married just to have someone to Verb with and stay warm. She is going to be a beautiful bride. She actually planned her wedding during the National Meeting so she wouldn't have to feel Adjective about not inviting any RM's or store managers.

Her dog, Oscar is adorable. He is treated like a Noun. He has Noun parties, wears Noun jerseys, and bow ties. It is rumored that Oscar is going to be the best man in her upcoming wedding. The Noun - Plural are going to Grrrrreat!
