# The First Kiss

I remember looking down at my \_\_\_\_\_ Noun to see that I had been \_\_\_\_\_ Verb - Past Participle by Christian on Facebook. I was so \_\_\_\_\_ Verb - Past Participle, but also kind of \_\_\_\_\_ Verb - Past Participle. After a few weeks of \_\_\_\_\_ Verb - Present Tense, I decided I should \_\_\_\_\_ Noun him. Trying to be \_\_\_\_\_ Adjective yet \_\_\_\_\_ Adverb, I sent him a message about how \_\_\_\_\_ Adjective our \_\_\_\_\_ Adjective war was getting. From there, we made plans to go \_\_\_\_\_ Adverb and grab \_\_\_\_\_ Food or Drink - Plural. I didn't know what was to come, but I knew that I \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ Verb - Present Tense with him. Finally, the day we decided to grab \_\_\_\_\_ Food or Drink - Plural had come. I was so damn \_\_\_\_\_ Adjective. I didn't know if I should wear a \_\_\_\_\_ Noun or keep it casual, but the fact that I wanted to \_\_\_\_\_ Verb him was a \_\_\_\_\_ Adjective sign. After a \_\_\_\_\_ Adjective night, we both headed our separate ways for winter break. \_\_\_\_\_ Proper Noun him was the best part of winter break - every morning I was \_\_\_\_\_ Verb - Past Participle to start \_\_\_\_\_ Verb - Present Tense with him. We even had our first \_\_\_\_\_ Adjective convo during the break - it was \_\_\_\_\_ Adjective. New Years Eve rolled around, and he was the only \_\_\_\_\_ Noun I wanted to \_\_\_\_\_ Verb at midnight. \_\_\_\_\_ Adverb, a few days later he came back to \_\_\_\_\_ Place. Our next encounter was at his \_\_\_\_\_ Adjective house party. The whole night I knew I \_\_\_\_\_ Verb - Past Tense to \_\_\_\_\_ Verb him, but i was SO \_\_\_\_\_ Adjective. Finally, when I was about to get into my \_\_\_\_\_ Noun, we \_\_\_\_\_ Verb - Past Tense! Some happily ever after shiz right there.

THE END.
