# "Aliens Are Our Friends"

If you run into an alien Noun who comes from determiner other Adjective planet which revolves around a distant something round in another galaxy, do not be Adjective. Remember, extraterrestrial Noun - Plural are not necessarily hostile. Many of them are Adjective and all Pronoun want(s) is to put you in one of their Noun - Plural and fly you off for a vacation Preposition Cancun. So offer them a few a food-plural or take them out to a movie. If you do, maybe they auxiliary verb tell you the secret of Adjective telepathy or how they power their rocket vehicle-plural. If you treat an extraterrestrial Adverb, you may make a new friend.
