My First Date with a Boy!

One _____day of the week_____, I got a call from a boy at school.

"Hey! My name is _____full name of a male person_____," he said. "I think you're really _____Adjective_____! Want to go out _____day of the week_____ night?"

"Sure!" I said and hung up. I was feeling so _____feeling_____!

Suddenly the night had come! He drove up my driveway in his _____type of car_____, picked me up, and then we drove to the _____place to go library church mall etc_____ downtown. His car had a _____color_____ dashboard, a _____color_____ steering wheel, and a license plate that said _____TV show_____.

Then he turned on the radio. It was our favorite _____style of music_____ song! After that he leaned over to touch my _____Part of Body_____, and I almost _____Verb - Past Tense_____!

"_____exclamation_____!" I said. "You are so _____Adjective_____!"

We both _____Verb - Past Tense_____ as the song continued and were having so much fun, but all of a sudden, _____same male first name_____ stopped paying attention to his driving. Before we knew it, the car ran over a _____Adjective_____ _____Noun_____ in the middle of the road and broke down.

"_____exclamation_____!" I screamed. "It's over!"

With that, I _____Adverb_____ got out of the car and slammed the door. Unfortunately, that means it will probably take me _____Number_____ days to walk back home!
