The Magic Easter Egg

Once upon a time, I found a magic egg. It was a magic Easter egg delivered by the Easter I'd
just started my Easter egg hunt when I saw something hidden behind the giant maple in my
backyard. I walked slowly over to the and as I got closer, I could see this,
, perfect egg. This was the most egg I had ever seen! It was covered in
Springtime of pink and blue, some yellow stripes and green polka-dots. I carefully picked up the
egg, pulled back its, bright wrapping and noticed something. "It's made of!" I
exclaimed. The best magic egg of all. Have you ever seen a magic Easter egg?
