Crash Landing

The eighth graders of Mountainville Academy were on the plane. [First Name of a Person] was asleep and his/her snoring was bugging [First Name of a Person] and [First Name of a Person]. A stewardess comes by and [First Name of a Person] gets [drink]. [First Name of a Person]'s [drink] arrives and he/she puts it up to his/her mouth to take a sip when there's a [Adjective] bump and the drink spills all over her/him. Everyone looks out the window and sees the right wing on fire. The plane starts a downward plummet and [First Name of a Person] closes his/her eyes. When he/she opens them again he/she can't believe her/his eyes. They had landed on an island made out of [food] and [food]. They get out of the plane and break into groups of [Number]. [Number] groups are sent to find food, [Number] groups are sent to find water, [Number] groups are sent to find shelter and [Number] groups stay by the plane.

The groups sent to find food finds a [food] tree, the groups sent to find water finds a [drink] river and the groups sent to find shelter find [Noun] to make shelter. Back at the plane a flock of [Adjective] [type of bird] of bird]'s were flying by. [First Name of a Person] sees them flying and goes to talk to them. He/she convinces the birds to fly them off the island. So after the other groups get back the birds pick them up and fly them to [Location]. They are then able to get to D.C. in time to see [A sight] in D.C.]
