road not taken

TWO roads _____ Verb - Past Tense in a yellow wood,

And sorry I could not travel both

And be one _____ Noun, long I stood

And looked down one as far as I could

To where it bent in the _____ Noun;

Then took the other, as just as fair,

And _____ Verb - Present ends in ING perhaps the better claim,

Because it was grassy and wanted wear;

Though as for that the passing there

Had _____ Verb - Past Tense them really about the same,

And both that morning equally lay

In leaves no step had trodden black.

Oh, I kept the first for another day!

Yet knowing how way leads on to way,

I doubted if I should ever come back.

shall be telling this with a sigh

Somewhere ages and ages hence:

Two roads diverged in a wood, and I--

I took the one less traveled by,

And that has made all the difference.
