# Willy Wonka Mad Libs!

"Oh, those are \_\_\_\_\_!" cried Mr Wonka. "They fill you with \_\_\_\_\_, and the \_\_\_\_\_ are full of a special kind of gas, and this gas is so terrifically lifting that it lifts you right off the ground just like a \_\_\_\_\_, and up you go until your head hits the ceiling - and there you stay."

"But how do you come down again?" asked little Charlie.

"You do a \_\_\_\_\_, of course," said Mr Wonka. "You do a great big long \_\_\_\_\_ \_\_\_\_\_, and up comes the gas and down comes you! But don't drink it \_\_\_\_\_! There's no knowing how high up you'll be carried if you do that. I gave some to an \_\_\_\_\_ Oompa-Loompa once out in the back yard and he went up and up and \_\_\_\_\_ out of sight! It was very sad. I never saw him again."
