Dear Proper Noun,

I hope you are having fun in your noun season vacation. I am having fun here, in Austin. It is really hot

here. I am Verb - Present ends in ING with my Noun - Plural. Every day, my grand-parents come over.

On the first day, we went to a water park. There were lots of Noun - Plural. That was really fun. The

second night, we Verb - Past Tense to a restaurant. It was huge. We walked around it a few times. I have

been here for 4 days.

Yesterday, we did a lot of things. It was the Adjective - Ends in EST day yet. In the morning, we woke up

early and Verb - Past Tense on possesif determiner cell phones and Noun - Plural. After, we went

to the park. We played a lot. We had a pic-nick. Next, we went to a zoo. We saw lots of Noun - Plural like

elephants and tigers. After that, Pronoun went to a restaurant. This has been my best vacation yet.

Can't wait to see you,
