Jackie

1. Adjective _____

Jackie

Jackie is so _____Adjective_____ that she is now going to have her own house. She has been searching for and the day has finally arrived. The papers are signed and the house is all hers. As she unpacks the moving truck she realizes how many things she has and that not all of them will fit in her new house. Oh wow! she exclaims as she carries one of her three couches out of the truck. Jackie, who has always been a procrastinator, she is going to have a yard sale right away. Day one after moving in Jackie puts all of the items for sale on the front yard. Dennis who happens to be driving by sees a sweet television for sale. Dennis stops and can not resist the deal. Only $510 how can he resist. Jackie excited to make her first sale gives Dennis the television and goes on his way. The neighbors, Bill and Sarah, see how successful Jackie's yard sale is and decide to strike a deal. For the next five years if Jackie sells their items at an annual yard sale the she holds she will get half the proceeds. How can Jackie resist such a great deal? They shake hands and the deal is done. After the yard sale is over Jackie counts her money. "Oh wow" she exclaims "I can not believe I made 1000 dollars today".
