# Plants

Do you love \_\_\_\_\_ outside in the \_\_\_\_\_ when the plants are blooming? Today you will learn more about plants! They need \_\_\_\_\_, light, \_\_\_\_\_, and space. Plants have flowers that \_\_\_\_\_ seeds. \_\_\_\_\_ get water from the soil to give to the rest of the plant. They also help the \_\_\_\_\_ to \_\_\_\_\_ up sturdily. Leaves make \_\_\_\_\_ for the plant. Leaves need the sun to make food! The stem brings the water to the leaves and holds them up. Plants are like people because they \_\_\_\_\_ like us!
