# Heavy metal Zombies

You want to go to a heavy metal concert. So you do. The band you want to see is Slayer. You get there by walking because well, it is worth it, your wife stole your \_\_\_\_\_Vehicle\_\_\_\_\_already anyways. But when you got there, you found, it indeed not worth it.

First of all, the band members looked like \_\_\_\_\_Zombie\_\_\_\_\_from that game \_\_\_\_\_Video game\_\_\_\_\_that you used to play. The crowd looked like \_\_\_\_\_Video game\_\_\_\_\_zombies. Then you remember something, you brought your \_\_\_\_\_Weapon\_\_\_\_\_ because you know all \_\_\_\_\_Music genre\_\_\_\_\_concerts have screwed up fans. Sometimes, in a place like where you are going, there are security guards. You can take \_\_\_\_\_Plural noun\_\_\_\_\_from them. Oh wait never mind, it took to long to think of that, zombies are already \_\_\_\_\_Verb ending in ing\_\_\_\_\_you.
