# Prayer

Jesus, I pray that I would have a Adjective day, that my friends would be Adjective and that everything would be Adjective. Help my parents not to be so Adjective and my brother to be not super Noun. Give me everything I want, and way more than enough Noun to Verb it, so other Noun - Plural will think that I'm cool. I pray that all that stuff in the past would Verb and that you would help me to look Adverb and be Adverb - Comparative than everyone else in my life. I also pray that Proper Noun would get kicked out of school, that I would always get good Noun , and that Proper Noun would fall in love with me. Oh, and if you could give me more Noun - Plural on instragram and make me famous that would be great.
