Stopping by Woods on a Snowy Evening BY ROBERT FROST

Whose woods these are I Verb - Base Form I know.

His house is in the village though;

He will not see me stopping here

To Verb - Base Form his woods fill up with snow.

My little horse must think it queer

To stop without a Noun near

Between the woods and Adjective lake

The darkest evening of the year.

He gives his Noun bells a shake

To ask if there is some mistake.

The only other sound's the sweep

Of Adjective wind and downy flake.

The woods are Adjective, Adjective and Adjective,

But I have promises to keep,

And miles to go before I Verb - Base Form,

And

miles to go before I Verb - Base Form.
