Your Own Dystopia

It is the year Year, and the all-too-familiar world has fallen.

As a citizen of The Name of Your Childhood Street, a nation birthed from the ruins of Old State - USA, you find yourself plagued by Noun - Plural, Abstract Noun, and Abstract Noun. You reside in a small shack with your family, a humble Number members, while spending your limited free time with Friend and Friend. The three of you enjoy Verb - Present ends in ING and Verb - Present ends in ING, although the government of Repeat Last The Name of Your Childhood Street has begun to prohibit those things.

And, like the others, you're sick of the constant surveillance and control. They've banned Noun - Plural, for Heaven's Sake, and they've started to tax Noun. What are you going to do? You, having renamed yourself Name of First Pet, are planning a rebellion. You've assembled a troop of Number, and you're going to burn Repeat Last The Name of Your Childhood Street to the ground. For months, you've been training; you're Describe Your Cooking Level - Bad Poor Good Awesome when handling a Weapon, and your fitness level can be defined by your Adjective Body Part. They don't stand a chance.
