Shakespeare ~ Sonnet 18

Shall I compare thee to a summer's Noun?

Thou art more Adjective and more Adjective:

Rough Noun - Plural do shake the darling buds of Proper Noun,

And summer's Noun hath all too Adjective a date:

Sometime too hot the eye of Proper Noun shines,

And often is his gold Noun dimmed,

And every Noun from Adjective sometime declines,

By chance, or Noun changing course untrimmed:

But thy eternal Noun shall not fade,

Nor lose possession of that Noun thou ow'st,

Nor shall death brag thou wander'st in his Noun,

When in eternal lines to time thou grow'st,

So long as men can Verb - Base Form, or eyes can Verb,

So long lives Noun, and this gives Noun to thee.
