Getting Ready for the Party

Yesterday I went Verb - Present ends in ING. Yesterday we were cleaning our pool to get ready for a party. Our pool is an above ground pool and it is really Adjective. We were getting ready to clean our filter. Then we were getting ready to go shopping for food for the party. Some foods we got were chips, cheeseburgers, and hot dogs. Then we got drinks. I think it's going to be really Adjective and Adjective because we're going to have all our friends and family. Those were all the things we had to do to get ready for the party.
