The Life of a Balloon

The Adjective balloon was Verb - Past Tense when the package that contained its Male
Family Member - Plural and Female Family Member - Plural was opened. A/An Animal's Part of
Body reached in and grabbed the Adjective and Color balloon. the Same Animal then
brought the balloon over to a/an Adjective machine. He placed the mouth of the balloon on the
Part of Body of the machine. The balloon then began to fill up with Noun - Plural. The balloon kept
getting fatter and fatter as it was Verb - Past Tense with Same Noun. Suddenly, it was pulled off the
machine and its mouth was shut before it could let all the Same Noun out. The Same Animal was
Verb - Present ends in ING with the balloon, when it suddenly lost its grip on the balloon. The balloon
Verb - Past Tense higher and higher into the Noun. Soon the balloon Verb - Present ends in S
and falls to the ground, soon to be eaten by an endangered species of Animal. That is the
Adjective life of a balloon.
