Dave the little bird

Once upon a time , they was a little Noun named Proper Noun and he hadn't Noun - Plural

because his Noun - Plural were not funny.

His only friend was Proper Noun . Proper Noun is a dead grey Noun and Proper

 Noun always tought he was alive. So, as you can see, Proper Noun was also stupid. One day, he was

walking into the Noun searching for Noun . At the same time, beyond the Noun , a

 Noun was searching for a prey. Then, Proper Noun died because of the hunter stabled him with

his knife. This was the sad history of Proper Noun the weird little Noun . The Noun .
