MONSTERS I'VE MET by SHEL SILVERSTEIN

I met a Noun, but he didn't want my head,

He only wanted to know the way to Verb - Past Tense.

I met a Pronoun, but he didn't want my soul,

He only wanted to Verb - Past Tense my Determiner awhile.

I met a Verb, but he didn't want my to,

He only wanted to Verb - Present Tense for a Noun - Plural.

I keep Determiner all the right people--

At all the wrong times.
