Lost But Free

Just me and a Noun on this little wood Noun lost at sea

My view is nothing but the oceans serene beauty

I have no Noun to direct me so I know I'm free

Left to wonder endlessly until my eyes get droopy

 Verb - Present ends in ING what is to come on this Noun

I now realize the only one I can rely on is me

This boat is not sturdy and the waves can be very jerky

 Verb - Present ends in ING me that life has no guarantee

I envy the weather for being so moody

One second so peaceful and clear the next being so dark and whirly

Now understanding why mother nature isn't fluky

There are reasons for everything I believe that now very firmly
